AUDITION SCENE 2 – JOYCE CHILVERS

Joyce: Voila! Duck a l'Orange!

(beat)

All right, it's Spam!
I molded it into the shape of a duck.
And the "l'Orange" is our two month ration of marmalade,
all 12 ounces of it.

The Allardyces are serving what was to be our steak to
Dr Swaby and Mr Lockwood as we speak.
They're planning a Royal Wedding Banquet in honour of our Princess.
It's a very private function – to which we are not invited...

This isn't about steak – it's about status!
Those who are invited to sit at the table,
and those who are condemned to stand outside,
faces pressed to the glass. Which are you, Gilbert? Which are we?
